

Thames Materials LTD

[Time4Trees x TML carbon offsetting April 2024]

www.time4trees.co.uk

This certificate recognises that on **24/04/2024**, **100 trees** have been planted by **Time4trees** on behalf of **Thames Materials LTD**, offsetting a projected total of **100 tonnes** of CO₂ over their natural lifespan. Your trees are planted in a UK high carbon emission zone, and each tree is verified by the Woodland Carbon Code.

100

Trees planted &
Tonnes of CO₂ offset

We would like to thank you for joining Time4Trees and being a part of our continued efforts to fight the climate crisis.
